

Tri-Valley Middle School is excited to announce.....

We are starting a **COOKING CLUB!**

Hosted by Chef Bill Bird and Julie Barnhard Jennings

What a great opportunity for young men and women to experience the art of prepping, cooking and serving up exciting dishes while developing a new taste for culinary arts along with a professional chef

We plan to meet on the first and third Wednesdays of the month starting in January from 2:30 until 5.

If your student is already committed to a seasonal sport or activity, please don't hesitate to fill out the interest form and plan to come to a short meeting (to be announced) to see what the activities are each month.

We plan to have a summer activity also!

We will expose students to a scope of knowledge in:

- Food facts
- Meal and party planning (ie Tailgate Super Bowl Party)
- Grocery shopping on a budget
- Culinary Professions
- Kitchen safety and sanitation
- Field trips to restaurants and or gardens
- Farm to table experiences

Of course....eating!!!

My child _____ is interested in the Middle School COOKING CLUB.

As a parent/guardian _____, I give my child permission to stay after school.

I plan to attend a meeting to receive further information. Parent Signature _____
